SARANAC LAKE CIVIC CENTER SPONSORSHIP

OPTIONS

Option	Details
TV Digital Ad	See your business logo/message on TV displayed throughout the rink.
Online Ad - SLCC website	Rotating banner of your logo/ad message on the Saranac Lake Civic Center website
Dasher Board	Dasher boards are the walls that surround the ice surface, which means that as fans watch the ice action, that also see your company's logo. Ads are attached to the rink side of these boards and can be seen both on and off ice users and spectators. This is your best option to stretch ad dollars - exposure from lingering media (photos from stands, etc.).
Hanging Board	Feature your brand behind the player bench side of the rink – a total of two positions at the center. High visibility across from the stands.
Locker Room Door	Locker room door professionally wrapped with business logo/advertising. Must be family oriented.
In Ice Logo	Company logo permanently frozen into the Ice. Highly visible advertising spot. In-Ice logo's would be installed in October for the entire ice season. Pricing includes installation costs.
Stair Risers	Prominently placed graphics on high-traffic staircase to rink area.
Public Skating	Sponsor a series or one-time public skating event with or without the cost of skate rentals. Public thanks and acknowledgement as co-host on social media.

THANKS FOR YOUR SUPPORT!
